## Charges

The charges you pay are used to pay the costs of running the Fund including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest:		There are no per se entry or exit costs. Material share dealing may be subject to a Preliminary Charge, Repurchase Charge or Exchange Charge as set out in the Fund prospectus. Such charges are an anti-dilution levy that will cover the actual cost of trading.
Entry Charge	None	
Exit Charge	None	
This is the maximum that might be taken out of your money before it is invested or before the proceeds of your investment are paid out.		The <b>ongoing charges</b> figure shown is based on a commitment by the Investment Manager to limit the <b>ongoing charges</b> of the share class during the year. This commitment may be lifted at any time upon prior notice to shareholders. This figure may vary from year to year. It excludes portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another collective investment undertaking. The exact charges will be included in the financial statements for each year.
Charges taken from the Fund over a year:		
Ongoing Charges	1.03%	
Charges taken from the Fund under certain specific conditions:		For more information about charges, please see section entitled <b>Fees and Expenses of the Prospectus</b> , which is available at <a href="http://www.ttint.com">www.ttint.com</a> .
